Instructors are free to insert their course-specific textbook and resource requirements in place of the generic “textbook and resources” referenced below.

Inclusive Access:

- **Textbook:** The textbook and resources for this course are available in digital format through the Inclusive Access textbook program at South Plains College. That means the e-book edition of the textbook and/or all required resources are provided to students through Blackboard from the first day of class. The fee for the e-book/resources is the lowest price available from the publisher and bookstore and is included in the

student tuition/fee payment. Therefore, students do not have to purchase a separate textbook or access card for this course.

- **E-book features:** Access to a cloud-based e-reader is provided by RedShelf via Blackboard. RedShelf e-book features include the ability to hear the text read aloud, highlight, take notes, create flash cards, see word definitions, build study guides, print select pages, and download up to 20% of the book for offline access. Visit <https://solve.redshelf.com/hc/en-us/requests/new> for e-book issues and support.
- **Opting out of Inclusive Access:** As long as they meet the opt-out deadline, students may choose not to participate in the Inclusive Access program if they have a textbook from another source. Students should check with the instructor for advice before deciding to opt out because Inclusive Access is the cheapest option for most students. Students should also find out whether course work is required in an online platform like *Mindtap* or *Connect*. If so, students who opt out would be required to purchase access to that platform in addition to acquiring the e-book on their own. To opt out of the Inclusive Access e-book/resources, students need to email tfewell4texasbookcompany@gmail.com before the census date. Students must include their first name, last name, student ID number, and the course they are opting out of in the email. Once students have been opted out of Inclusive Access, they will receive a confirmation email. Students who need assistance to opt out should contact the SPC Bookstore. The Inclusive Access fee will be refunded to students who opt out before the census date for their term of enrollment. The census date for fall and spring is the twelfth class day. The census date for shorter terms varies between the second and third class day.
