

**Course Syllabus**

COURSE: EMSP 2330.151 Special Populations  
 SEMESTER: Summer - 2021  
 CLASS TIMES: Monday-Tuesday 08:30-13:20  
 CLASS LOCATION: Didactic will be remote with skills at Reese Center, Building 1, Room 118 (Chapel)  
 INSTRUCTOR: Rusty Powers, BA, NRP  
 OFFICE: Reese Center, Building 5, Room 517C  
 OFFICE HOURS: Monday through Thursday 2:00pm-4:00pm and Friday 9:00am-11:00am or by appointment  
 OFFICE PHONE: 806-716-4627  
 E-MAIL: [rpowers@southplainscollege.edu](mailto:rpowers@southplainscollege.edu)  
 Facebook: <https://www.facebook.com/SPCEMSprogram>

*"South Plains College improves each student's life."*

**GENERAL COURSE INFORMATION**

\*It is the responsibility of each student to be familiar with the content and requirements listed in the course syllabus.\*

**COURSE DESCRIPTION**

This course includes a detailed study of the knowledge and skills necessary to reach competence in pre-hospital cardiology.

**STUDENT LEARNING OUTCOMES**

|  |
|--|
| At the completion of the semester students will:   |
| 1. Understand the roles and responsibilities of a Paramedic within an EMS System.  |
| 2. Be able to apply the advanced concepts of development, pathophysiology, cardiology, medical emergencies, traumatic emergencies, and special populations in the assessment and management of emergency patients. |
| 3. Be able to take a history and perform a comprehensive physical exam on any patient and communicate those findings to others.  |
| 4. Be able to communicate effectively with patients, co-workers and other health care professionals.   |
| 5. Be able to establish and/or maintain a patent airway, oxygenate, and ventilate a patient.   |
| 6. Be able to recognize and treat minor and life threatening emergencies of all natures in regards to the pre-hospital setting.  |

**COURSE OBJECTIVES** - Outline form ( C-1, C-5, C-6, C-7, C-8, C-9, C-12, C-13, C-14, C-18, C-20; F-1, F-2, F-5, F-7, F-8, F-9, F-11, F-12, F-13, F-16, F-17)

|  |
|--|
| At the completion of this course the student will have:  |
| <ul style="list-style-type: none"> <li>The cognitive, psychomotor, and affective competencies in the recognition and treatment of prehospital emergencies.</li> </ul>                |
| <ul style="list-style-type: none"> <li>The cognitive, psychomotor, and affective competencies of prehospital patient assessment and airway management emergencies.</li> </ul>        |
| <ul style="list-style-type: none"> <li>The cognitive, psychomotor, and affective competencies of prehospital utilization of medications in treating emergency situations.</li> </ul> |
| <ul style="list-style-type: none"> <li>The cognitive, psychomotor and affective competencies of pre-hospital cardiac emergencies at the Paramedic entry-level.</li> </ul>            |

## EVALUATION METHODS

Computer-based exams, written exams, written assignments, quizzes, psychomotor exams, and other projects as assigned.

## ACADEMIC INTEGRITY

It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.

**Cheating** - Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in the office are examples of cheating. Complete honesty is required of the student in the presentation of any and all phases of coursework. This applies to quizzes of whatever length, as well as final examinations, to daily reports and to term papers.

Any assignment **0** or **F** will be given on any assignment or test that cheating was utilized. Offender maybe liable for being dropped from the course at the discretion of the instructor.

**Plagiarism** - Offering the work of another as one's own, without proper acknowledgment, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from themes, reports or other writings of a fellow student, is guilty of plagiarism.

## VARIFICATION OF WORKPLACE COMPETENCIES

Paramedics are expected to know how to read a cardiac monitor and provide treatment based on their training.

## BLACKBOARD

**Blackboard is an e-Education platform designed to enable educational innovations everywhere by connecting people and technology. This educational tool will be used in this course throughout the semester.**

## USE OF ZOOM

Zoom will be used for the all lectures unless otherwise directed by the instructor. It is the student's responsibility to assure adequate internet access and to log-in to the designated Zoom link on time for each class. Students are expected to actively participate in discussions and reviews. Failure to respond to verbal questions may result in lowering of the student's participation grade.

## FACEBOOK

The EMS Program has a Facebook page at <https://www.facebook.com/SPCEMSprogram> In addition to the South Plains College website; this Facebook page will be used to keep students up-to-date on program activities, weather delays, South Plains College announcements and will help with program recruitment. "Liking" the South Plains College EMS Program Facebook page is not mandatory, nor are personal Facebook accounts, in order to access this page.

## SCANS and FOUNDATION SKILLS

### *AMERICAN HEART ASSOCIATION PEDIATRIC ADVANCED LIFE SUPPORT MANUAL*

Available for check out in the SPC Reese Library

#### \*Additional Items That Must Be Purchased Each Semester:

\*SPC EMS Program Policy & Clinical Handbook

SPC Program Copy

SPC Bookstore

#### SUGGESTED TEXTS

EMS Pocket Field Guide, ALS Version

InforMed Co.

ISBN#: 9781890495329

#### ADDITIONAL CLASSROOM ITEMS

Students should come to class prepared with pens, pencils, and a spiral notebook for taking notes or completed quizzes or assignments in class. Students should be prepared to take notes over lecture material if they choose.

#### CLASS FORMAT

This class will utilize a “hybrid” format in which lectures will be live; but online and skills labs will be live and in person.

##### Zoom:

Lectures will be conducted live; but online via Zoom. On occasion, the instructor may, at his discretion, move the live, online lecture to another platform such as Blackboard Collaborate, GoToMeeting or another appropriate platform. Students will be told, in advance, if the class platform is changed from Zoom.

##### Skills Labs:

Skills labs will be held in person on the Reese Campus. The instructor will inform the students, in advance, of skills labs dates, times, and locations.

#### FACE COVERING STATEMENT

This class will strictly adhere to any face covering policies instituted by South Plains College while on the SPC Campus. The instructor will keep the students updated on all requirements of SPC.

## ATTENDANCE POLICY (\*READ CAREFULLY)

### Class Attendance

“Punctual and regular class attendance is required of all students attending South Plains College. There are no excused absences. Students are responsible for all class work covered during absences from class, even in cases in which they are able to satisfy the instructor that the absence was unavoidable.” (*South Plains College Student Catalog*)

**Roll call will occur at the beginning of each class; either in the classroom setting or via Zoom. Students not answering roll call will be marked as absent or tardy; depending on whether the student is present later or absent for the entire class. With Zoom, it is the student’s responsibility to text the lead instructor if the student is having technical difficulty signing on. This text MUST be received before the start time of class in order to avoid being marked as tardy.**

“Whenever absences become excessive and, in the instructor’s opinion, minimum course objectives cannot be met due to absences, the student should be withdrawn from the course.” (*South Plains College General Catalog*),

When an unavoidable reason for class absence or tardy arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student’s responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

A student who does not attend a class and does not officially withdraw from that course by the official census date of the semester, will be administratively withdrawn from that course and receive a grade of “X” or “F” as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student’s responsibility to be aware of that policy. Students who enroll in a course but have “Never Attended” by the official census date, will be administratively dropped from the course with a letter grade of “X.”

It is the student’s responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account.

Students must attend and/or participate in all classes for which financial aid is awarded. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment. (*See South Plains College General Catalog*)

**Due to the importance of the emergency medical information being taught, the instructor of this course defines excessive absences as missing the 3rd class day (or having equivalent tardies) in a course section. A student who meets this criteria will be administratively dropped from the course by the instructor.**

- Tardies: (Definition): arriving any time after the class has started (roll call) or not returning from an approved break after class has started.
- Two tardies will be considered missing one class day and counted as such.
- Work schedule is **not** an excuse for missing class.
- Any exceptions to this policy must be discussed on an individual basis with the course instructor and the EMS Program Director. (i.e. – student hospitalization, immediate family member death, etc.)

### Flexibility Statement:

Disclaimer: This statement does not supersede or alter the attendance policy as students are expected to attend classes and labs as scheduled. Rather, this statement serves to allow instructors more flexibility in aiding students that have issues relating to the COVID pandemic. The use of this statement will be handled on a case-by-case basis with consideration of the particular circumstances.

Due to the current COVID pandemic, the SPC EMS Training faculty will make reasonable attempts to be flexible during this trying time. Considerations will be taken on attendance in regards to health issues, isolation, and other issues associated with the pandemic. However, the SPC EMS Training Program must meet all requirements regarding contact hours as dictated by the Texas Department of State Health Services and our accreditation boards. So, flexibility and allowances may be limited, in some cases, by these agencies.

Students that miss classes must make up all material and shall be held responsible for all didactic and psychomotor skills associated with this course. Students will also be responsible for all quizzes, assignments, and tests associated with this class. Recordings of lectures will be posted on the student's Blackboard to be available for making up missed classroom time and for study and review purposes. The faculty will work with students to make up skills labs missed due to health reasons whenever possible. However, students must comply with dates and times for makeup labs as designated by the instructors. Students will be responsible for maintaining all designated skills proficiencies as assigned by the instructor.

## RETURN TO CAMPUS PLAN

South Plains College has developed a [comprehensive plan](#) for a safe and healthy return to campus as we work together to respond to the COVID-19 pandemic. [This plan](#) outlines recommendations for personal health and safety, as well as, how college operations will be modified to meet the recommendations of federal, state and local authorities and health officials. The [Return to Campus Plan](#) is a "living" document that will be updated as new information becomes available to us.

## SPECIFIC RULES FOR ONLINE ATTENDANCE

- All students must be logged in to Zoom (or other designated platform as indicated by the instructor) by the start of class (0830). Roll call will begin immediately at the starting time. Any student that is having technical difficulties logging in must inform the instructor via email or text BEFORE the beginning of class. Failure to do so may result in a "tardy".
- Students shall have the video cameras on at all times during online classes, unless authorized by the instructor.
- In the event that a student must step away from the online class for more than just a few minutes, the student should inform the instructor, via text or email, that he/she must step away from the computer. Failure to adhere to this policy may result in the Instructor removing the student from the online lecture resulting in the student having to re-enter Zoom. Repeated violations of this policy will result in an absence or tardy being recorded.
- Students will be called upon throughout the class. Failure to answer will be construed as being away from the computer and the policy above shall be applied.
- Students shall be dressed in the appropriate SPC uniform with a professional appearance. (See DRESS CODE in this syllabus).

### Proctorio for Written Exams:

This course uses a tool called Proctorio. Proctorio is a remote proctoring service software that works within your web browser to confirm student identity and monitor students taking quizzes/exams.

#### Before Using Proctorio

- In order to use Proctorio, you must have a **basic webcam or built-in camera with microphone** enabled on your laptop or desktop computer.
- You must have the **Chrome browser** on your computer. [Download Chrome.](#)
- You must install the [Proctorio Chrome extension \(Links to an external site.\)](#).
- Check the [Proctorio Minimum System Requirements \(Links to an external site.\)](#) to ensure Proctorio will work on your computer.
- You will also be required to show a **government or school issued ID** before accessing the **Student Learning Contract** (next page). You will also need to show your ID if your instructor is requiring Proctorio for any quizzes/exams.

#### Proctorio FAQs

##### Q: Can I listen to music while taking the exam?

A: Please refrain from doing so; if there are high noise levels, your exam will be flagged.

##### Q: Is someone watching me take the test since it is proctored (via Proctorio)?

A: Absolutely not! Although you are being recorded while taking the quiz/exam, the instructor is the only one who has access to your quiz/exam attempt.

##### Q: What if I have to get up to use restroom during the quiz/exam?

A: Similar to on-site exams, this is highly discouraged! If you MUST leave the room, please send your instructor a message (Canvas Inbox) letting them know that your quiz/exam attempt might be "flagged." Please do your best to plan ahead and "go" before beginning the quiz/exam!

### **Q: Can I take the quiz/exam from any location?**

A: You may take the quiz/exam from any location as long as you have a strong Internet connection. You should be in a quiet environment and strive to limit your outside distractions as well.

### **Proctorio Technical Support**

(760) 227-7129 - Available 24/7 (This is a phone number just for Coastline students.)

Email: [support@proctorio.com](mailto:support@proctorio.com)

Live chat (icon located on the quiz/exam page)

[Learn more about Proctorio for students](#)

### **HOMEWORK/ASSIGNMENT POLICY**

All assignments must be completed by the assigned due date and time. **Late and/or incomplete work will not be accepted and a grade of zero will be recorded.** In rare circumstances; such as illness, emergency, etc. the instructor may allow additional time to submit assignments. However, this will be considered on a case-by-case basis and only considered in rare, extraordinary situations. Assignments, quizzes, exams, and skills that are missed due to an unapproved absence may not be made up. See the instructor for more specific information.

### **COMPUTER USAGE**

As computer technology in the field of emergency medical services continues to become more popular, computers will be used in this course for several assignments. All students have access to computers and printers on the South Plains College Reese campus. Students will be expected to utilize computers to access assignments and classroom resources. All registered students are supplied with a working email account from South Plains College. In order to take exams, students must have their user name and password.

**ALL STUDENTS ARE EXPECTED TO KNOW THEIR SPC STUDENT USER NAME AND PASSWORD.**

### **COMPUTER LAB USAGE**

As computer technology in the field of emergency medical services continues to become more popular, computers will be used in this course for several assignments. All students have access to computers and printers on the South Plains College Reese campus. Students will be expected to utilize computers to access assignments and classroom resources. All registered students are supplied with a working email account from South Plains College. In order to take exams, students must have their user name and password. Lack of computer lab paper is not an excuse for not having homework assignments, skills lab sheets, or any other required documents. Students should come prepared for class.

**ALL STUDENTS ARE EXPECTED TO KNOW THEIR SPC STUDENT USER NAME AND PASSWORD.**

### **EXAMS**

The majority of student 'written' exams will be administered via computer to prepare them for the National Registry exam and some exams will be handwritten which will encourage memory and mastery of the material. Students should practice proper spelling and grammar when answering a written exam.

Additionally, many exam questions will be constructed in the same manner as national registry questions, allowing students to prepare for that testing format.

- **There is only one retest on the Final Exam. There are no retests for Modular Exams.**
- Students requesting a re-test must contact the instructor and schedule a time to come to the Reese campus to take the test.
- Students are required to make a 75% on the final exam or the student must re-take the course.
- A re-test on the final may be offered to the student automatically if they have a clean behavior record for the overall program, i.e.: no absences, tardies, or previously failed exams.
- If they have any of the above, they may go before a committee of the medical director, the Allied Health Chairperson, a counselor, and others to get a decision. – the committee will decide whether the student is eligible for an exam re-take or course re-take.

- Some exams may be administered in a campus computer lab which must be reserved by the instructor in advance. Students are expected to arrive on time to exams and complete the exams within the time frame allowed.

**Make-up Exams:** If a student is absent during a scheduled exam, that student must make up the exam within 1 week of the scheduled exam date. Note: all makeup exams shall be scheduled with the instructor and must be completed during the designated time set forth by the instructor. A missed final exam must be made up within 24 hours of the scheduled test date. A makeup exam does NOT constitute attendance for the date of the scheduled exam. Failure to make up an exam as listed will result in a score of “0” recorded for that exam.

### GRADING POLICY

A minimum of 75% on all exams and assignments is required to receive a passing grade for that exam or assignment. Students must earn an overall grade of 75% or better for each course to pass.

#### Final semester grades will be based on the following:

|                   |     |
|-------------------|-----|
| Homework          | 15% |
| Quizzes           | 10% |
| Participation/Lab | 5%  |
| Modular Exams     | 40% |
| Final Exam        | 30% |

|                |             |   |
|----------------|-------------|---|
| Grading Scale: | 90-100      | A |
|                | 80-89       | B |
|                | 75-79       | C |
|                | 74 or Below | F |

### SKILLS AND SKILLS EXAMS

Skills are a critical aspect of an EMS training program. Each student is solely responsible to complete all peer review skills requirements and documentation on the Platinum Planner platform by the due date as outlined by the lead instructor. Many skills, such as BLS skills, are designed to be self paced. Ample time is allocated during the class to complete this component. Each student is expected to utilize the allotted class time appropriately to achieve completion. Students are responsible to track and document all skills. The skills requirements for the Paramedic Program are comprehensive and listed on Platinum Planner. These skills extend throughout all four individual classes of the Paramedic Program. The Instructor will assign due dates for specific skills completion. Failure to complete this requirement shall result in the dismissal from the SPC EMS Training Program.

### COURSE COMPLETION CERTIFICATE

Please refer to the most current version of the SPC EMS Program Handbook for eligibility details.

### EXTRA CREDIT

Extra credit is not given under most circumstances. If extra credit is given it will be given to the class as a whole and not on an individual basis.

### COMMUNICATION POLICY

Electronic communication between instructor and students in this course will utilize the South Plains College “My SPC” and email systems. The instructor will not initiate communication using private email accounts. Students are encouraged to check SPC email on a daily basis. Students will also have access to assignments, web-links, handouts, and other vital material which will be delivered via Blackboard. Any student having difficulty accessing their Blackboard or their SPC email should immediately contact the SPC Help Desk and the instructor for direction. The instructor will work with any student to ensure the student has access to a computer on campus and can obtain the needed class content that is located on Blackboard..

## CAMPUS CARRY

Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in South Plains College buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and South Plains College policy, license holders may not carry a concealed handgun in restricted locations. For a list of locations and Frequently Asked Questions, please refer to the Campus Carry page at: <http://www.southplainscollege.edu/campuscarry.php>

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all South Plains College campuses. Report violations to the College Police Department at 806-716-2396 or 9-1-1.

## STUDENT CONDUCT

Students in this class are expected to abide by the standards of student conduct as defined in the SPC Student Guide. **Fighting between students or any attempt to fight with faculty or staff will not be tolerated and will result in immediate dismissal from the program and possible criminal charges.** Additionally, students are expected to come to class wearing the appropriate clothing and ready for class. Cell phones should be turned off or silenced.

Rules and regulations relating to the students at South Plains College are made with the view of protecting the best interests of the individual, the general welfare of the entire student body and the educational objectives of the college. As in any segment of society, a college community must be guided by standards that are stringent enough to prevent disorder, yet moderate enough to provide an atmosphere conducive to intellectual and personal development.

A high standard of conduct is expected of all students. When a student enrolls at South Plains College, it is assumed that the student accepts the obligations of performance and behavior imposed by the college relevant to its lawful missions, processes and functions. Obedience to the law, respect for properly constituted authority, personal honor, integrity and common sense guide the actions of each member of the college community both in and out of the classroom.

Students are subject to federal, state and local laws, as well as South Plains College rules and regulations. A student is not entitled to greater immunities or privileges before the law than those enjoyed by other citizens. Students are subject to such reasonable disciplinary action as the administration of the college may consider appropriate, including suspension and expulsion in appropriate cases for breach of federal, state or local laws, or college rules and regulations. This principle extends to conduct off-campus which is likely to have adverse effects on the college or on the educational process which identifies the offender as an unfit associate for fellow students.

Any student who fails to perform according to expected standards may be asked to withdraw.

Rules and regulations regarding student conduct appear in the current Student Guide.

## DRESS CODE

- **Class Dress Code** – Due to EMS being a uniformed profession all students will be required to wear their clinical uniform. The uniform must be clean and presentable.
- **Black Pocket Pants**
- **Black boots**
- **Gray Polo (Student Uniform Shirt) (must be tucked in)**
- **EMSO T-shirt (must be tucked in)**
- **Watch with a second hand**
- **Closed toed shoes or boots (solid black)**
- **Stethoscope (optional)**

**WHAT NOT TO WEAR:** jeans, hats, flip-flops, shorts, jeans, low cut blouses, private EMS uniforms.

- **These guidelines are for your protection due to the nature of the EMS environment and the amount of lifting and moving that will take place in the lab**
- **If you are employed by a local or regional EMS service, do not wear your uniform, badge, pager, or radio to class as this causes distractions from the teaching environment**

## **SPECIAL REQUIREMENTS (\*Read Carefully)**

Students must read and understand the following items:

- Syllabus (EMSP 2330) (This Document) (On Blackboard)
- SPC EMS Program Handbook (On Blackboard)
- SPC Clinical Handbook (On Blackboard)
- Grievance Policy (Page 17 of the 2020-2021 SPC Student Guide) (On Blackboard)
- South Plains College GRADE AND ACADEMIC DISCIPLINE APPEALS (Page 27 of 2020-2021 SPC Student Guide) (On Blackboard)
- Campus Carry Policy (Page 8 of this Document)
- Students must present a signed signature page (last page of this document) acknowledging that the student been shown the location of each of the above items and has read and understands the content of each. This is due the first day of class.
- **These signature pages are due by the second day of class.**

## **TECHNOLOGY RULES**

**Cell Phones** – Cell phones are to be turned OFF or on silenced during scheduled class periods, unless prior approval has been given from the instructor. **Text messaging is not allowed during scheduled class/lab times.** Cell phones are to be used outside the classroom or lab only on designated breaks. **Students that are caught using cell phone during class without the permission of the instructor will be asked to leave class and will receive an absence for that day**

Students are not allowed to have cell phones, notebooks, tablets, smart watches, or any other technology devices on their person during exams. Students will receive a grade of “F” for the exam if they have a cell phone or any of the listed technology devices during an exam. Additionally, possession of a cell phone or other technology device during an exam may be grounds for dismissal from the EMS program and from SPC. (See Cheating and Plagiarism on pp 2.).

## **COURSE DISCLAIMER**

Working with the public in emergency situations is stressful and requires a mentally tough individual to provide medical care in the prehospital environment. This course is designed to teach students about real-world situations the EMT – Paramedic may potentially encounter in the ‘field’ while managing patient care.

**In order to better prepare students for a career in the Emergency Medical Services profession, there will be times during this course where students will be exposed to training scenarios and situations that will be unpleasant to the average college student. If the student does not feel they can tolerate this type of learning environment, they should discuss this with me immediately before continuing the course.**

**Additionally, enrollment in this course does not guarantee a passing grade, successful completion of the paramedic curriculum, or paramedic certification at the national or state level.**

## **SYLLABUS DISCLAIMER**

Serious effort and consideration were used in preparing the syllabus presented. While viewed as an educational contract between instructor and student, unforeseen events may cause changes to the scheduling of exercises, quizzes, etc. Every effort will be made NOT to change scheduled items. Nonetheless, SPC EMS instructors reserve the right to make any changes deemed necessary to best fulfill the course objectives. Students registered for this course will be made aware of any changes in a timely fashion using reasonable means.

Rusty Powers, BA, NRP  
SPC EMS Instructor/Coordinator

---

## ACCOMMODATIONS

### DIVERSITY STATEMENT

In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

### DISABILITIES STATEMENT

Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Levelland (Student Health & Wellness Office) 806-716-2577, Reese Center (Building 8) 806-716-4675, or Plainview Center (Main Office) 806-716-4302 or 806-296-9611.

### TITLE IX PREGNANCY ACCOMMODATIONS STATEMENT

If you are pregnant, or have given birth within six months, Under Title IX you have a right to reasonable accommodations to help continue your education. To activate accommodations you must submit a Title IX pregnancy accommodations request, along with specific medical documentation, to the Director of Health and Wellness. Once approved, notification will be sent to the student and instructors. It is the student's responsibility to work with the instructor to arrange accommodations. Contact the Director of Health and Wellness at 806-716-2362 or email [cgilster@southplainscollege.edu](mailto:cgilster@southplainscollege.edu) for assistance.

### EQUAL OPPORTUNITY, HARASSMENT, AND NON-DISCRIMINATION STATEMENT

South Plains College does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies: Vice President for Student Affairs, South Plains College, 1401 College Avenue, Box 5, Levelland, TX 79336. Phone number 806-716-2360.

South Plains College is dedicated to providing a safe and equitable learning environment for all students. Discrimination, sexual assault, and harassment are not tolerated by the college. The Health and Wellness Center offers confidential support (806-716-2529) and Voice of Hope has a 24-hour hotline (806-763-7273). You are encouraged to report any incidents online at <http://www.southplainscollege.edu/about/campussafety/complaints.php>.

---

## FOUNDATION SKILLS

### BASIC SKILLS—Reads, Writes, Performs Arithmetic and Mathematical Operations, Listens and Speaks

F-1 Reading—locates, understands, and interprets written information in prose and in documents such as manuals, graphs, and schedules.

F-2 Writing—communicates thoughts, ideas, information and messages in writing and creates documents such as letters, directions, manuals, reports, graphs, and flow charts.

F-3 Arithmetic—performs basic computations; uses basic numerical concepts such as whole numbers, etc.

F-4 Mathematics—approaches practical problems by choosing appropriately from a variety of mathematical techniques.

F-5 Listening—receives, attends to, interprets, and responds to verbal messages and other cues.

F-6 Speaking—organizes ideas and communicates orally.

### THINKING SKILLS—Thinks Creatively, Makes Decisions, Solves Problems, Visualizes and Knows How to Learn and Reason

F-7 Creative Thinking—generates new ideas.

F-8 Decision-Making—specifies goals and constraints, generates alternatives, considers risks, evaluates and chooses best alternative.

F-9 Problem Solving—recognizes problems, devises and implements plan of action.

- F-10 Seeing Things in the Mind's Eye—organizes and processes symbols, pictures, graphs, objects, and other information.  
F-11 Knowing How to Learn—uses efficient learning techniques to acquire and apply new knowledge and skills.
