Course Policies:

Student Conduct: The student handbook clearly defines appropriate classroom conduct. A student can be asked to leave the class for inappropriate conduct. You should not disrupt the class since you interfere with the learning process for your peers. Talking, sleeping, cell phones ringing, or other disruptive behaviors will result in a warning and then can result in the student being dropped from the class. If you must have a phone for sick children or emergency reasons, please put the phone on “silent” because a ringing/singing phone is very disruptive to the class.

Campus Concealed Carry syllabus statement:

Campus Concealed Carry - Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in South Plains College buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and South Plains College policy, license holders may not carry a concealed handgun in restricted locations. For a list of locations, please refer to the SPC policy at:

(http://www.southplainscollege.edu/human_resources/policy_procedure/hhc.php)

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all South Plains College campuses. Report violations to the College Police Department at 806-716-2396 or 9-1-1.

Late Work and Missed Assignments: Work is due on the dates assigned and cannot be

made up if missed. The paper is due on the date assigned and there is a late penalty for each day the work is late.

Appeal Process: The process of appeal is outlined in the college catalog. Basically you would need to talk to the instructor, the department chair, and then the dean if the problem is not resolved. Be sure to always start with your instructor.

Diversity Statement: In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be. (Faculty Handbook 4.1.1.1)

Equal Opportunity: South Plains College strives to accommodate the individual needs of all students in order to enhance their opportunities for success in the context of a comprehensive community college setting. It is the policy of South Plains College to offer all opportunities without regard to race, color, national origin, religion, gender, disability or age. In addition, this instructor will not tolerate remarks nor gestures that can be construed to be sexist, racist, heterosexist or in any way disparaging to another person in this classroom.

ADA Statement: Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. Textbook: Arnett, J. *Human Development: A Cultural Approach, 2nd edition*. Pearson.

Note: The book is an ebook so you purchase the code and then go to Blackboard and to the Pearson site. You can purchase the printed version if you want for additional money or use the ebook which is totally linked to the assignments. You may also be able to purchase the book on Amazon or other sites. Just make certain that you have the right edition. We also have a copy of the text in the library. Any version will be acceptable since we will not have grades based upon any of the REVEL parts of the book.

Attendance Policy: You can check the school policy in the college catalog. In addition to the catalog policy, roll will be taken at each class session and a record of attendance

maintained. You are expected to attend class. The material presented in class is not a duplication of the material in the textbook, and you will be responsible for all topics discussed in class as well as the assigned chapters in the text. **You may be dropped from the class with an X after five absences, regardless of your grade.**

Writing Style: All written assignments should be presented using the conventions of Standard Written English. South Plains College requires all students to become proficient in "academic English," a form of English that is typically used in academic, professional, and business contexts. While slang, regional idioms, and informal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing. Writing instructors and professors in courses across the campus expect all students to demonstrate proficiency in using the conventions of academic English in their written work, whether it is in-class exams or take-home essays. Each instructor may also add additional requirements regarding written assignments that are contained in your syllabus.

Academic Integrity: You are expected to do your own work. You may not work with another person to complete your assignments, discussions, or when taking your exams. You may not copy another student's work and present it as your own. You may not allow another student to copy your work. Complete honesty is required of the student in the presentation of any and all phases of course work. If the instructor determines an assignment to be plagiarized, the result can range from a zero for that assignment to failure of the course. The result will be determined by the instructor. See SPC College Catalog for additional information.

Grading Policy/Procedure: You will have four exams worth 100 points each, a paper/project worth 100 points, and weekly assignments. You will have 25 daily assignments at the beginning of class worth 5 points each for a total of 125 points. This is a total of 625 points. Your grade will be based upon a percentage of the total points with 90%=A; 80%=B; 70%=C; 60%=D; 59% and below = F.

Special Requirements: If you miss an exam, you cannot make it up, but your final exam will be counted twice. You can take an exam with another class if you must miss class for a valid reason. If you miss more than two exams, you will be asked to drop the class.
