COURSE REQUIREMENTS AND POLICIES

Spanish 1412 uses Spanish as the medium of teaching. Students are encouraged to interact with their peers and the professor in Spanish. This method is highly effective. Research has proven that this is the best way to study a second language. You can only learn it by practicing it sufficiently and using it for real communication, so that you can develop your own communicative ability.

Students will be given the opportunity to ask questions during class in English. This is will be done under the discretion of your professor. This is the only time students will be permitted to speak English. Once the class has been instructed to speak only in Spanish, students are expected to do so. Please do not worry about making mistakes; we are all here to learn.

Assignments: Assignments will include MySpanishLab activities, textbook activities, and supplementary handouts designed to stimulate and reinforce foreign language acquisition. Please prepare your assignments carefully and expect to participate in class.

Grading: It is essential that students regularly do *both* the online course components *and* participate in class activities.

The scores for all graded work are distributed as follows:

Participation/Quizzes	9/8@10 points	10%
Online	4@100 points	20%
A conversar	4@15 points	15%
A escribir	3@50 points	15%
Chapter Exams	4@100 points	20%
Written Final Exam	2 @100 points	20%
Oral Final Exam		

Course grades will be assigned on the basis of weighted course average:

A: 90 and above

B: 80 – 89.99

*A 'C' or better is required in the course to

C: 70 – 79.99*

D: 60 – 69.99

continue to the next level at SPC.

F: below 60

Please Note: Grades or averages cannot be sent via e-mail or over the telephone. If at any time you would like to know your grades or class average please see your professor during his office hours.

Participation Points: Participation in class activities will be assessed on a weekly basis; nine total. Class participation grades are intended to assess the quality and quantity of your class participation, as well as your collaborative attitude during class. **If you are absent on the day the class completes the form or you leave early, you will receive a zero for the Participation Points of the week. The forms will be completed during the last five (5) minutes of class.**

Online Assignments: MySpanishLab (MSL) is the online platform of the course. It contains pronunciation activities, interactive vocabulary and grammar presentations and tutorials.

This computer-enhanced course offers the following advantages to you as you learn Spanish:

- **Self-pacing.** You can take the time you need to do the online portion of the course as long as you complete the assignments before the deadlines. We will spend time in the language lab (CM123D), and any assignments you do not complete in the allotted time can be completed by 11:59 p.m. on the due date.
- **Immediate feedback.** The computer grades your electronic homework exercises instantly, tells you which items or activities are wrong, and helps you to learn by making suggestions on what to study before attempting the exercise again.
- The program is designed so you can attempt the exercises/activities **three** times and the average of the three attempts will be recorded.
- Easy access. You can do your online assignments from any computer that accesses the internet through a reliable internet browser such as Internet Explorer (PC users) or Safari (Mac users).

For each activity, you will receive a grade based on the accuracy of **your performance**. You will be allowed **three (3)** attempts to complete each activity. The score will be based on the average your three attempts. Note that **spelling, punctuation, and accent marks** will signal a difference in your performance, as will proper vocabulary and sentence structure. Online activities are due **at 11:59 pm**. After that time, homework will **not** be accepted. The grade recorded in the gradebook will be the average of the activities per chapter.

It is your responsibility to complete and submit your online assignments by the due dates. “I forgot,” “I didn’t notice” or any technical problems with your personal computer or Internet provider are not valid excuses for not presenting homework, and your online assignment grade will suffer. Homework not submitted or submitted late will be recorded as a zero.

Note: Time spent in the lab is class time and attendance is required.

Quizzes: There will be eight quizzes during the semester. The quizzes will be administered during the first ten minutes of the class session. If you are late and the quiz has been given, you will earn a zero for the missed quiz. The due dates and the information to be assessed can be found on the Course Calendar.

A Conversar: These are in-class oral activities. You will have access to the *A conversar* activity on MSL in the folder titled *A conversar*. You will download the handout and complete your preparation at home and submit it on the day of the scheduled activity; this will be part of your *A conversar* grade. On the scheduled day you will spend at least 15 minutes speaking with one of your classmates in Spanish. This activity will be evaluated based on how well you are prepared and the amount and the quality of your participation. The rubric for the *A conversar* evaluation can be found in the *A conversar* folder as well. You will find this folder under the tab titled *Course Materials* on MSL.

Note: Your preparation must be submitted on notebook paper on the due date in order to receive credit.

A Escribir: These activities consist of a composition and a revision of that composition. The composition is worth 36 points and the revision is worth 14 points. The preparations for these activities are in the textbook. The page numbers are listed in the Course Calendar. You will write your composition during the first twenty minutes of class. Be on time.

Chapter Exams: There will be four chapter exams; chapters 5, 6, 7 and 8. The exams will be computer-based and will be taken in the language lab on the due date. You will find the study guide in the *Chapter Exams* folder. You will find this folder under the tab titled *Course Materials* on MSL.

Written Final Exam: The exam will be comprehensive and will consist of the information covered in chapters 5, 6, 7 and 8, and will be administered on Wednesday, April 29, 2020; during class time. The exam will be divided in 5 parts: Listening Comprehension, Vocabulary, Grammar, Reading Comprehension, and a Composition. The exam may not be taken early. You can find the study guide in the *Final Exams* folder. You will find this folder under the tab titled *Course Materials* on MSL.

Oral Final Exam: The exam will be comprehensive and will consist of the information covered in the chapters 5, 6, 7 and 8, and will be administered on Monday, May 4, 2020; 11:30 a.m. – 12:15 p.m. You will find the study guide in the *Final Exams* folder. You will find this folder under the tab titled *Course Materials* on MSL. The exam may not be taken early.

Course Calendar: All of the assignments, quizzes, exams and due dates for the class are listed. Please refer to the calendar daily. It is your responsibility to keep up with the due dates. You will also find the Course Calendar and the Syllabus on MSL in the folder *Class Syllabus and Course Calendar*.

Specific Policies Regarding Missed Assignments, Make-up Work

Class Attendance Policy: Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus. Any student who has **more than 4** unexcused absences in this course **will receive an automatic “F”**. The instructor may officially record the “F” at any time during the semester.

When an unavoidable reason for class absence arises, such as chronic illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up missed assignments. It is the student’s responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

Students, who enroll in a course but have “Never Attended” by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of “F”.

Three tardies (less than fifteen minutes late) will constitute an absence. If you are more than fifteen minutes late, you will be counted absent. Attendance will be taken at the beginning of each class. It is the students’ responsibility to sign the Attendance Sheet at the beginning of each class session for which he or she is in attendance. You are also expected to remain in class until the class is dismissed; this includes time spent in the lab. If you leave more than 15 minutes prior to the dismissal of class you will be counted absent. If you leave less than 15 minutes prior to the dismissal of class you will be counted tardy.

Please Note: If you are late to class, you will earn a zero for any missed assignments given during the time you were not in class. Also, if a student leaves prior to the dismissal of class, he/she will earn a zero for any assignments missed and will not be permitted to make up the assignments.

Excused absences for this policy are absences due to documented chronic illness, hospitalization, court appearances (*excluding actual jail time and/or arraignment during the semester*), funerals for immediate family, official university travel and attendance at scheduled religious observances covered by Texas House Bill 256. **The original documentation to support the above stated absences must be presented to your professor during his office hours within two class-days.** Documentation **not** presented within two class-days will not be accepted resulting in an absence, and missed assignments will not be accepted. The documentation will be verified.

Absence due to religious observance: Texas House Bill 256 requires institutions of higher education to excuse a student from attending classes or other required activities, including examinations, for the observance of a religious holy day. The student shall also be excused for time necessary to travel.

Any assignments that a student may make up because of an excused absence will have to be done so within two class-days upon the student’s returns to class. If a student does not make up the missed assignments within the time given he or she will receive a zero for the assignments.

If your circumstances will prevent you from meeting the attendance requirements of this course, it is certainly an option to consider withdrawing and re-enrolling at a later time when your schedule is conducive to **attending class, arriving on time and remaining the duration of class.**

Note: Thursday, April 23, 2020, is the last day to withdraw from the course.

Plagiarism and Cheating: Students are expected to do their own work on all projects, quizzes, assignments, examinations, and papers. Failure to comply with this policy will result in an ‘F’ for the assignment and can result in an ‘F’ for the course if circumstances warrant.

Plagiarism violations include, but are not limited to, the following:

1. Turning in a paper that has been purchased, borrowed, or downloaded from another student, an online term paper site, or a mail order term paper mill;
2. Cutting and pasting together information from books, articles, other papers, or online sites without providing proper documentation;
3. Using direct quotations (three or more words) from a source without showing them to be direct quotations and citing them; or
4. Missing in-text citations.

Cheating violations include, but are not limited to, the following:

1. Obtaining an examination by stealing or collusion;
2. Discovering the content of an examination before it is given;
3. Using an unauthorized source of information (notes, textbook, text messaging, internet, apps) during an examination, quiz, or homework assignment;
4. Entering an office or building to obtain unfair advantage;
5. Taking an examination for another;
6. Altering grade records;
7. Copying another’s work during an examination or on a homework assignment;
8. Rewriting another student’s work in Peer Editing so that the writing is no longer the original student’s;
9. Taking pictures of a test, test answers, or someone else’s paper.

Note: The use of online translators is not permitted in or outside of class.

Student Code of Conduct Policy: Any successful learning experience requires mutual respect on the part of the student and the instructor. Neither instructor nor student should be subject to others’ behavior that is rude, disruptive, intimidating, aggressive, or demeaning. Student conduct that disrupts the learning process or is deemed disrespectful or threatening shall not be tolerated and may lead to disciplinary action and/or removal from class. The following are examples of inappropriate behavior in the classroom:

Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.
