Course Description and Purpose

Welcome to SPCH 1321-Business & Professional Communication! It is my sincere hope that you will learn to enjoy the process of public speaking while gaining confidence, improving your skills, and making new friends.

This course includes the basic principles of speech applied to communications in business and professional settings. Course Organization

This course is organized into weeks. You can access the weeks by clicking on the Course Content link on the Course Menu in Blackboard. Each week will contain a combination of reading assignments, lecture videos or screencasts, links to additional readings and/or video material, and other content that will help you understand the focus of that week. Additionally, there will be various assessments included each week, such as quizzes, learning activities, major assignments discussion boards and comments, video conferences, speeches, and peer and self-evaluations. Check the course schedule to see the specific assessments included each week and specific due dates for each assessment.

You can access your grades on the Blackboard Course Menu (My Grades). Grades will be posted after the due date and after all assignments have been graded. Speech Grading Rubrics will be made available to you when speeches are assigned so that you can prepare for my assessment methods.

Your final grade will be determined as follows:

- To earn an A, you need 89.5%
- To earn a B, you need 79.5%
- To earn a C, you need 69.5%
- To earn a D, you need 59.5%
- If your percentage is 59.4 or less, you will earn an F

If you have questions about or are concerned about a specific grade you earned, you will need to email me or visit me in virtual or face-to-face office hours to discuss the grade. If you want to appeal a grade you earned on a specific assignment, you have one week after the grade has been posted in Blackboard to approach your instructor about your questions or concerns. After one week, I will consider the matter closed. When you approach me after viewing your grade, you are expected to have revisited the assignment or speech description, the grading rubric, and the feedback provided to you by me.

Assignment Submissions

You will submit all assignments through their designated submission link in Blackboard. On the first submission, you may have some questions. I have a video that shows how to submit assignments. I usually allow unlimited submission

attempts so if it does not work the first time, you can just try again. If you repeatedly submit your assignment in the wrong place or just email it to me, I will deduct 5 points from the assignment.

 - The Informative Speech will be recorded, and you will inform me about your career research interview. You must be an attentive audience member for presentations given during your scheduled group time, and you must complete all speeches to pass this course. Additionally, you will respond to the questions posed in the vlog entries.
- 6. Career Research Interview** You will find a professional in a job you would like to have 5-10 years after finishing your education. You will interview the professional about that career. You may either audio record the interview or do a short, videoed presentation about what you learned in your interview.

- 8. Exams** There will be 3 major exams during the course.

Attendance and Tardy Policy

Students are expected to attend all classes to be successful in a course. All students enrolled for this course are expected to attend class regularly, be on time, and remain until dismissed. Roll will be taken at each class meeting. If a student is tardy, he/she must see the instructor after class to have the absence mark removed.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period as determined by the instructor. Students are officially enrolled in all

courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

Students who enroll in a course but have “Never Attended” by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of “X” or “F” as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student’s responsibility to be aware of that policy.

It is the student’s responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

The department abides by this policy and enforces the following guidelines established for SPCH 1321:

1. If a student is tardy, he/she must see the instructor after class to have the absence mark removed. Two tardies (2) in a MW or TR class will constitute an absence. If a student leaves class prior to dismissal of the class, he/she may be counted absent.
2. Missing more than two weeks of class is considered excessive.
Example: MW/TR – 4 sick days allotted
 One day/week – 2 sick days allotted
3. After two (2) absences, I will drop you from the class if your absences aren’t excused (if it is before the drop date).
4. Unexcused absences one day over your allotment (2) will lower your final course grade by 10 points.
5. Each subsequent absence will lower your final course total by 5 points.
6. If, in the instructor’s opinion, minimum course objectives cannot be met due to absences, the student should withdraw from the course.

Late Work Policy

Quizzes, learning activities, discussions, vlogs/comments, speeches, and peer and self-evaluations are due by 11:59pm Central Standard Time on the due date listed on the Course Schedule.

Speeches are mandatory. Because our meeting times are scheduled, **you are allowed to make-up ONE speech only**. The instructor determines the date/time of the makeup and it will result in a deduction of points of 20 pts.

Students who enroll in a course but have “Never Attended” by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records.

Make-Up Policy

Make-up work is NOT guaranteed. When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor **may** permit the student to make up work missed. If a student must be absent to represent the college, she/he should advise the instructor beforehand and should have a signed permit from his/her coach or sponsor. In such cases, it is the student’s responsibility to complete work missed within a reasonable amount of time as determined by the instructor. Each student must make an appointment with the instructor to plan for make-up work. **Late work will not receive full credit.**

Course and Technical Help

Do not hesitate to call or e-mail me if you have course-related questions. I am here to guide you through the course. I will try to respond to calls and e-mails within 24 hours during the week.

Be aware that the Instructional Technology office and Blackboard both recommend using a browser other than Internet Explorer when using Blackboard.

Please realize that this is not a computer class, so our content is business and professional communication, not Windows or Word processing. I can answer any questions about the course content or assignments, but I will be no help with technical problems.

Professor Expectations of the Student

- You are expected to log into the Blackboard course **at LEAST 3 times/week** to be aware of announcements/reminders and to pace your progress in the course.
- Higher institutions recommend that students plan to spend 2-3 hours of outside study for every 1 hour of in-class time. For a flex 3 credit-hour semester class, that means a total time investment of 9-12 hours per week. This is a time investment! Make sure you have the time.
- Online and in-class course activities promote learning and the creation of a learning community, so they are encouraged and expected.
- Students are expected to maintain an environment conducive to learning, which includes "netiquette" (Internet etiquette). Ensure that your e-mail messages, discussion board postings, and other electronic communications are thoughtful. Be concise and clear. Diverse opinions are welcome in this course, and you are expected to demonstrate an open mind and courtesy when responding to the thoughts and ideas of others. If you disagree with someone, respond with respect.
- Keep all your assignments until the semester is over. Occasionally, something goes wrong, and you need to re-submit an assignment or a file can't be opened.

I encourage you to read written responses to yourself out loud before you post them. I often catch my own awkward phrasing and other mistakes when I read my written words aloud BEFORE I hit send/submit.
