### General Policies

1. Class begins and ends on time. If the door is shut when you arrive, it is because class has already started. Do not come in. You are already counted absent. It is inconsiderate to me and the other students to interrupt us with your tardiness.
2. Do not leave once class has started. Again, this is rude for me and for the other students. If you feel you must leave, do not come back into class. You will be counted absent.
3. Turn in all assignments on time. **I do not accept late work.**
4. If you miss class, turn in your work BEFORE the next class in order to receive credit for that assignment.
5. THERE ARE NO EXCUSED ABSENCES. An absence is an absence.
6. If you have four absences, you will be dropped from the class.
7. Students are responsible for all assignments, *whether in attendance or not at the time the assignments are made*. Check Blackboard or with me for assignment information.
8. **No cell phones, pagers, musical devices, ear jacks, and/or other personal electronics during class.** If you cannot do without these things for the duration of the class, then do not come to class (but remember the policy concerning absences).
9. **Turn ALL ring-tones, buzzers, bleeps, and sound-effects OFF when you are in class.**
10. **YOU are responsible for checking SPC e-mail and Blackboard DAILY. It is not my problem if you choose not to do this.**
11. All students will take the final exam at the scheduled time.

*Very Important!*

12. Participation makes the class better for everyone. I expect students to have questions—that means you are thinking! There are no stupid questions in my class.

## **Homework Expectations**

### **Textbook Assignments**

You will have regular assignments from your textbook. I expect you to complete every part of every assignment. Homework is graded as a 100 (if assignment is complete) or a 0 (if even one blank is left empty). HOWEVER, I do not expect you to get every exercise correct all the time. If you are unsure of an answer, make the best guess you can, then mark that question. At the beginning of the next class, I will do a homework completion check, then will give you the opportunity to ask whatever questions you want about the assignment. I expect you to have questions, and I will be more than happy to help you to answer those questions.
