The grades you receive on your assignments, quizzes, homework, digital work, drafts, revisions, papers, and exams are indicators of your progress toward mastering the course objectives. Student grades will be posted in the Blackboard gradebook. It is each student's responsibility to continually monitor academic progress posted in each student's grade book on Blackboard.

General Assignment Information

- **Writing assignments (essays):** Your writing assignments will consist of essays of various topics, lengths, and styles. You will receive a set of specific instructions for each writing assignment. The rubric used to assess your assignments is located at the end of this syllabus. You are expected to turn in every part of an assignment according to the dates listed on the course outline, and announced in class.
- **In-class writing assignments:** You will have daily in class writing assignments. You may be asked to complete summaries, reflections, worksheets, and other written assignments that test your knowledge, preparation and/or attendance. Missed assignments due to absences cannot be made up.
- **Homework:** You will have written, reading-based assignments, in which you will read something (e.g., text-book chapter, news article), and then write something related to the reading (e.g., **in-class writing assignment**).
- **Digital homework (weekly):** Every week, you will have something to complete, in Mindtap, Blackboard, or both. These may include discussions in the discussion board in Blackboard, quizzes and/or Mindtap homework. Digital homework cannot be made up if missed, unless the instructor grants permission (e.g., due to an unforeseen circumstance):
 - Having technical difficulties is not an excuse for missing homework.
 - It is ***YOUR responsibility to locate a working computer and WiFi, and to file tech support tickets, and/or class and tech support numbers*** to report a problem.
 - If you are experiencing technical issues with Mindtap, you will need to:
 - file a tech support ticket with Mindtap (through the Mindtap support area) within two (2) business days of your issue and,
 - send me a screenshot of the issues you see on your end and,
 - email me the case number for the issue.
 - **If you are having issues with Blackboard, please email me to let me know, then contact** Blackboard Technical Support at blackboard@southplainscollege.edu or (806) 716-2180.
- **Reading Quizzes:** you will have weekly reading quizzes. Quizzes are designed to assess your understanding of the material reviewed in class and read about in the chapters. You will have the opportunity to take each quiz multiple times. Your final submission

will be counted as your grade. All quizzes are taken in Blackboard and are timed. Quizzes cannot be made up if missed.

- **Exams (3 exams).** You will have three (3) exams scheduled approximately every five (5) weeks, which will cover the concepts learned up until that point. During exams, everything you brought to class that day will be kept out of sight the entire time. This includes all electronic devices (i.e., cell phones, tablets, laptops, smart watches, etc.), notebooks, backpacks, textbooks, etc. Students may not wear headgear during the exam (e.g., no headphones/earbuds, no sunglasses).
 - **Missed exam:** If a student misses the exam, the student will receive a 0 for the exam. HOWEVER:
 - if you have documentation for missing the exam (e.g., an official doctor's note), then you may make up the exam within the next week. It is the student's responsibility to schedule a time with the instructor to take the exam during the instructor's office hours. Failure to schedule a time to take the exam within the required time will result in a 0 for the exam.

Essay Guidelines

Essay Assignment Guidelines

Essays may earn grades ranging from A to F based on the instructor's grading scale. Depending on the assignment, certain criteria may be weighted more than others, and the instructor's assignment may establish additional, more specific criteria. The quality of each of the criteria determines the letter grade. Not every essay will fit a single grade's description completely. Instructors may also include process assignments and drafts in their assessment of the final grade.

Classroom Policies, Assignment Policies, and Due Dates

Assignment Deadlines and Requirements

1. Students are expected to submit college level work **on time, on the date on which the assignment is due**. **No late work will be accepted in the class. Please plan your time accordingly!**
2. All work (typed or hand-written) is expected to contain professional and appropriate language, correct grammar, correct spelling, and complete sentences.
3. All assignments must be in the **APA format** (https://owl.purdue.edu/owl/research_and_citation/apa_style/apa_formatting_and_style_guide/general_format.html), unless otherwise noted.
4. Typed assignments must be submitted in WORD format. Each student has an Office 365 account with access to the Microsoft suite of applications and should use it to submit assignments. **I must be able to open, save, download, and add comments to any attachment sent to me, otherwise, a grade of 0 will be given for any assignment sent**

in an unrecognized program. Please do not send assignments in PDF format, unless otherwise noted.

5. If you forget to attach an assignment to your email in Blackboard, the first time this occurs, I will allow you to submit the assignment ASAP after the deadline, but no later than 12:00p.m. (CST) the following day. Any subsequent times in which you forget to attach an assignment/paper, a grade of 0 will be given for the missed assignment.
6. All essays will be submitted through the Turnitin link in Blackboard. TURNITIN is a powerful program that helps detect plagiarism or improper use of sources in papers, as well as grammatical errors. Once your paper has been graded in TURNITIN Feedback Studio, you will be able to view my comments and marks on your paper. TURNITIN accepts the following file types: Microsoft Word, WordPerfect, PDF, RTF, OpenOffice (ODT), Google Docs.

Unforeseen Circumstances

If a student is dealing with an unforeseen circumstance (e.g., a death in the family, an illness), **the student should contact the instructor immediately, before the due date of an assignment.** Please do not assume that the instructor will change the date of an assignment, or extend the date, due to an unforeseen circumstance. *It is only at the instructor's discretion that a due date may be amended or extended.* If a date is changed, it will only be changed/amended/extended once. All claims of "unforeseen circumstances" must be documented such as a doctor's note. After that, a grade of 0 will be given for additional missed assignments.

Attendance

- Students are expected to attend **all class sessions, and attend class on time.** Being late is disruptive and disrespectful to the class. Please see the Disruptive Behavior policy, below.
- Students will be given four (4) absences to be used throughout the semester.
- If a student has five (5) or more absences, the student may be dropped from the course with a grade of F.
- If a student is late to class (5 minutes or more, up to 15 minutes late), he or she will be marked tardy. **Two tardies = 1 absence**, and these do count towards the four total allowable absences.
- If a student arrives to class 16 minutes late or more, without prior consult with the instructor, OR a documentable reason, the student will be marked absent, as this is disruptive to the class. This absence does count towards the four allowable absences in the class.
- If a student leaves class early without consult with the professor, the student will be marked absent for class that day. This absence does count towards the four allowable absences in the class.
- **ONLINE CLASSES:** Attendance is measured/documentated by the student accessing the course in Blackboard. It is expected that the student will log-in at least twice during the week and it is necessary in order to complete all of the assigned class work. If a student fails to log in and complete assignments for two weeks (equivalent to missing 4 class periods), the student may be dropped from the course with an "F."

Cellphone/Laptop/Tablet Usage in Class

Cellphones, tablets, and/or laptops may be used in the class for note-taking and academic purposes only. These devices should be kept on mute or off mode. No audible or videotaping is allowed without prior approval of the instructor. Taking phone calls in class is prohibited. Everyone in class is an adult and should act accordingly. If an emergency exists or you must take a phone call, you need to leave the room. If your call becomes lengthy and you miss 15 minutes of class, you will be marked absent. If phone calls become excessive, you will be asked to leave class and will be marked as absent. If I see anything distracting such as texting, I will ask you once to put the item (e.g., cell phone) away. If the behavior continues, and I have to ask you a second time, you will be asked to leave the class, which will count as an absence for that day.

Disruptive Behavior

You are an adult, and as such, you will be treated as one, with respect and professionalism, in the class! Being an adult also means being respectful to those around you. Do your best to be respectful of others and their right to learn in a peaceful environment in all aspects of classroom behavior. Disruptive behavior includes, but is not limited to creating distractions, talking out of turn, talking with classmates during lecture, wandering in and out of class, chronically showing up late, chronically leaving early, or improper use of technology. "Failure to comply with lawful directions of a classroom teacher relative to maintaining good order is considered misconduct on the part of the student. Repeated violations of disrupting a class will result in the student being dropped from the course." (See Student Guide)

****If the instructor deems a student unprepared in any manner (e.g., consistently not bringing required materials/homework to class), and/or, if a student disrupts the learning environment, he/she will be asked to leave the class. If a student is asked to leave the class, this will result in an absence for that day, and this absence does count towards the student's allowable total of absences for the semester. If the student is continually unprepared for class in any way, and/or continually disrupts the learning environment, that student may be dropped from this course with the grade of F.*

Plagiarism and Cheating

Students are expected to do their own work on all projects, quizzes, assignments, digital homework, exams, and papers. Failure to comply with this policy will result in an F for the assignment and can result in an F for the course if circumstances warrant. Additionally, a student may be asked to meet with the Dean of Students for further disciplinary action.

9. Rewriting another student's work in Peer Editing so that the writing is no longer the original student's;
10. Taking pictures of a test, test answers, or someone else's paper.

Student Responsibilities

As a student, you are responsible for:

1. the learning process, including preparation for class, such as reading and homework; participation in class discussions, including asking relevant questions; getting assignments and/or notes if absent; and accepting responsibility for not understanding an assignment or failing an assignment,

Institutional Policies

Academic Integrity/Plagiarism

It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a serious offense and renders the offender liable to serious consequences, possibly suspension. **Unless otherwise noted, all assigned homework is designed to be an individual exercise with the purpose of increasing reading skills, writing skills, and comprehension. Students who present work that may not be their own will receive an F for that assignment/paper/digital homework/quiz/ exam. Additionally, the student may be referred for disciplinary action, and/or maybe dropped from the course with the grade of F.**
