- Create an argument through the use of historical evidence.
- Analyze and interpret primary and secondary sources.
- Analyze the effects of historical, social, political, economic, cultural, and global forces on this period of United States history.

**Student Learning Outcomes Assessment:** A pre- and post-test and/or a writing assignment rubric will be used to determine the extent of improvement that the students have gained during the semester.

**Course Evaluation:** See the instructor's course information sheet for specific items used in evaluating student performance.

**Attendance Policy:** Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

Students who enroll in a course but have "Never Attended" by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of "X" or "F" as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student's responsibility to be aware of that policy.

It is the student's responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

**Student Code of Conduct Policy:** Any successful learning experience requires mutual respect on the part of the student and the instructor. Neither instructor nor student should be subject to others' behavior that is rude, disruptive, intimidating, aggressive, or demeaning. Student conduct that disrupts the learning process or is deemed disrespectful or threatening shall not be tolerated and may lead to disciplinary action and/or removal from class.

**Diversity Statement:** In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

**Disability Statement:** Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. ## South Plains College and Class Policies:

**Attendance:** You are expected to attend class, arrive on time, and remain for the entire class period. **Absences will only be excused with acceptable documentation provided in a timely manner, and at the sole discretion of the course instructor.**

- **FOUR (4) missed assignments OR absences** (at any time; for any reason) will result in the student being dropped from the course.
- Class attendance is recorded by the Instructor or on a sign in sheet. The sign in sheet will be available until the scheduled time that class starts.
- Tardiness is disruptive to the classroom setting. If you arrive **AFTER** class starts, then you will be counted absent.
- You should plan to be in class for the entire period. A student who leaves class **regularly** will be marked absent for that class period even if he/she was present for the majority of the time.
- Material presented in class will **NOT** be repeated during office hours or any other communication forum such as e-mail. **If you are absent, request class notes from another student.**

### Dropping the course:

- If you are considering dropping the class you should speak with me first. If you decide to drop the class, then you should submit a [Student Initiated Drop Form](#) online from the SPC website. Failure to complete the drop procedure will result in an “F” grade on your transcript. The drop date can be found on the SPC calendar.

### Late or make-up work:

- Your work must be turned in on schedule to receive credit.
- If a student is absent for a quiz or exam it is your responsibility to contact the Instructor.
- All work must be turned in **BEFORE** the Final Exam week. There are no exceptions.

**Academic integrity:**

- Anything that borders on cheating, plagiarism, or affects the academic integrity of the assignment or of the course will be dealt with -- the least thing that could happen to the student is dismissal from the class roster with a failing grade.
- Your work must be *in your own words* and it must be original (cheating and plagiarism -- that is copying someone else's work or copying from another source). Students who cheat or plagiarize will be dropped from the class with an "F".

**Plagiarism and Cheating:** Students are expected to do their own work on all projects, quizzes, assignments, examinations, and papers. Failure to comply with this policy will result in an F for the assignment and can result in an F for the course if circumstances warrant.

Plagiarism violations include, but are not limited to, the following:

1. Turning in a paper that has been purchased, borrowed, or downloaded from another student, an online term paper site, or a mail order term paper mill.
2. Cutting and pasting together information from books, articles, other papers, or online sites without providing proper documentation.
3. Using direct quotations (three or more words) from a source without showing them to be direct quotations and citing them; or missing in-text citations.

Cheating violations include, but are not limited to, the following:

1. Obtaining an examination by stealing or collusion.
2. Discovering the content of an examination before it is given.
3. Using an unauthorized source of information (notes, textbook, text messaging, internet, apps) during an examination, quiz, or homework assignment.
4. Entering an office or building to obtain unfair advantage.
5. Taking an examination for another.
6. Altering grade records.
7. Copying another's work during an examination or on a homework assignment.
8. Rewriting another student's work to the point that the original student's writing is absent.
9. Taking pictures of a test, test answers, or someone else's paper.

**Remember this: to check for plagiarism the professor can take a random phrase from an essay, copy it, and paste it into a Google search and the source will appear.** The internet has made plagiarism much easier but it has also made catching it much easier, too!

**The consequence of plagiarism in my classes is this: the offender(s) will receive zero credit for the entire assignment or exam or will be dropped from the class with an F.**

**SPC Policy regarding "standard English":** All written assignments should be presented using the conventions of Standard Written English. South Plains College requires all students to become proficient in "academic English," a form of English that is typically used in academic, professional, and business contexts. While slang, regional idioms, and informal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing. Writing instructors and professors in courses across the campus expect all students to demonstrate proficiency in using the conventions of academic English in their written work, whether it is in-class exams or take-home essays.

**Student Privacy:** South Plains College is bound by the Texas Open Records Law and the Family Educational Rights and Privacy Act of 1974. Information regarding these topics can be found in the South Plains College Catalog. As far as this class is concerned, I will NOT release or discuss your class performance, grades, averages, or attendance with anyone but you. This means that your parents, class counselors, principals, or any other interested party will not gain this information from me – if they need this sort of information they must ask you for it. This provision does not apply to student athletes or those for whom a grade check is part of their scholarship support.

**Tobacco Policy:** South Plains College prohibits the use of any tobacco product, electronic cigarette, or vapor device throughout all indoor areas and within a 25 foot perimeter around all facility entrances, exits and HVAC air intake vents under the control of SPC, including sporting facilities and SPC vehicles. Included in this ban are tobacco products of all types (including, but not limited to, cigarettes, cigars, pipes, chewing tobacco, snuff and all other kinds and forms of tobacco prepared in such a manner to be suitable for spit tobacco use, smoking, or both). This ban also includes herbal tobacco products and simulated tobacco products that imitate or mimic tobacco products such as e-cigarettes, vapor cigarettes, pipes or other types of inhalation devices.

**E-mail Etiquette:** I will respond to your e-mail within two business days. I will selectively respond to e-mails after 5:00 pm and on the weekends. In addition, I am your professor and expect a certain level of respect when addressed via electronic or face-to-face communiqué. Your e-mails should begin with a proper salutation (i.e. Dear/Hello Professor Rios). Informal or familiar language (i.e. “Hey,” “What’s up,” or writing text with no salutation or context) should be avoided when addressing your professor. You should identify yourself and your class. Professors teach several sections and are not always familiar with each student, especially in large sections. Please include what course you are enrolled in (Example: HIST 1301.156).

**Classroom Conduct:** All students are expected to act responsibly and respectfully. Below you will find some general guidelines covering some actions that are to be avoided during this course, but as a general rule any behavior that disrupts the class will not be tolerated.

- The use of tape recorders, cell phones, laptops, or any other electronic recording devices in class is prohibited without permission.
- You are expected to take adequate notes on the lecture material. You are strongly encouraged to take notes by hand. **Personal laptop computers, tablets, and/or similar electronic devices may be used only to type lecture notes.** Playing games, searching the internet, or communicating on social network sites in class is unacceptable.
- Turn off or silence cell phones and other communication devices before entering the classroom. **Texting in class is not acceptable and is considered a class disruption.**
- **Students who use their cell phone in class will be counted absent for the class.**
- **Students who disrupt the class may be asked to leave.**  
See the “[Student Conduct](#)” section within the *South Plains College Student Guide*.

**Note:** The instructor reserves the right to modify the course syllabus and policies, as well as notify students of any changes, at any point during the semester.
