Course Specific Instructions: Specific instructions attached.

Course Description: A survey of the social, political, economic, cultural, and intellectual history of the west from the earliest civilizations to 1789. Themes that may be addressed will be the civilizations of the Greco-Roman Empire, European expansion, the Renaissance, and the growth of the European empires.

Course Purpose: To offer students a solid foundation course in the principles and important events and ideas in western civilization. This course will prepare students for further study in other social science courses, including American history and American government.

Course Requirements: Students should attend all class meetings, complete all homework assignments and examinations at the times assigned, complete projects in a manner consistent with college-level work, read assignments thoroughly, and be prepared for all class discussions.

Course Objectives:

1. Critical thinking - students should demonstrate creative thinking, innovation, inquiry and analysis, evaluation and synthesis of information appropriate for a college-level course.
2. Communication - students will effectively develop, interpret, and express their ideas through written, oral, and visual communication.
3. Social responsibility - students will demonstrate intercultural competence, a knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities.

4. Personal responsibility - students will demonstrate their abilities to connect choices, actions and consequences to ethical decision-making.

Learning Outcomes:

1. Create an argument through the use of historical evidence
2. Analyze and interpret primary and secondary sources
3. Analyze the effects of historical, social, political, economic, cultural, and global forces on this period of United States history and translate this to current situations

Cell phone policy: Cell phone usage will follow the policy adopted by Seagraves High School.

Language: Students are expected to treat the instructor and fellow students with respect and to use appropriate language in class. Slang and poor grammar will not be allowed either in class orally or in written form.

Testing: All tests will last one class period. Once the test is begun, students will not be allowed to leave the classroom until the exam is submitted for grading. All tests will be taken on locked Chromebooks. **If we return to virtual learning, then tests will be taken on Zoom.** The use of electronics (smart phones and watches, computers, etc.) during an exam will earn students a zero on the exam. The affected student will be allowed to retake the test; however, it will be an all essay test. For other consequences, see the SPC policy on academic integrity.

Plagiarism violations include, but are not limited to, the following:

- Turning in a paper that has been purchased, borrowed, or downloaded from another student, an online term paper site, or a mail order term paper mill;
- Cutting and pasting together information from books, articles, other papers, or online sites without providing proper documentation;
- Using direct quotations (three or more words) from a source without showing them to be direct quotations and citing them; or
- Missing in-text citations.

Cheating violations include, but are not limited to, the following:

- Obtaining an examination by stealing or collusion;
- Discovering the content of an examination before it is given;
- Using an unauthorized source of information (notes, textbook, text messaging, internet, apps) during an examination, quiz, or homework assignment;
- Entering an office or building to obtain an unfair advantage;
- Taking an examination for another;
- Altering grade records;
- Copying another's work during an examination or on a homework assignment;
- Rewriting another student's work in Peer Editing so that the writing is no longer the original student's;
- Taking pictures of a test, test answers, or someone else's paper.

Attendance Policy: Attendance and effort are the most important activities for success in this course. Records of your attendance are maintained throughout the semester. Five (5) absences, **for any reason**, are allotted to the student for the semester. Tardies count as one-half (1/2) of an absence. Tardies will be applied for consistently being late to class, as deemed by the instructor and leaving class early. If this number is exceeded, the instructor has the right to drop you with a grade of F or an X, depending on their discretion.

The following statements are taken from the Employee Handbook:

Academic Integrity: It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension, but at the least a mandatory and irreparable zero. Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in an office are examples of cheating. Complete honesty is required of the student in the presentation of any and all phases of course work. This applies to quizzes of whatever length, as well as to final examinations, to daily reports and to term papers. Offering the work of another as one's own, without proper acknowledgment, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from the themes, reports or other writings of a fellow student, is guilty of plagiarism.

Diversity Statement: In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

Disabilities Statement: Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Levelland (Student Health & Wellness Office) 806-716-2577, Reese Center (Building 8) 806-716-4675, or Plainview Center (Main Office) 806-716-4302 or 806-296-9611.

Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. SPC Bookstore Price Match Guarantee Policy: If you find a lower price on a textbook, the South Plains College bookstore will match that price. The difference will be given to the student on a bookstore gift certificate! The gift certificate can be spent on anything in the store. The South Plains College bookstore will happily price match BN.com & books on Amazon noted as *ships from and sold by Amazon.com*. Online marketplaces such as *Other Sellers* on Amazon, Amazon's Warehouse Deals, *fulfilled by Amazon*, BN.com Marketplace, and peer-to-peer pricing are not eligible.
