Requirements

- 1) Complete and submit SPC Application for Admissions
- 2) Submit ALL official college transcripts
- 3) Complete this form in its entirety, sign, and return to address above prior to enrollment in courses.

Texas Education Code 51.931 entitles Texas residents to seek admission to institutions of higher education without consideration of courses taken five (5) or more years prior to enrollment. Students may not pick and choose what is to be ignored and what is not. Students who have earned three or more college-level credit hours prior to Fall 1989, are exempt from TSI requirements regardless of whether they elect to take advantage of Academic Fresh Start.

For courses taken at South Plains College for which Academic Fresh Start is applied, the official transcript will show all courses taken. Grades and grade points will be shown; however, the credit hours attempted and cumulative grade points will total zero for the Academic Fresh Start eligible courses. This means that:

- Courses taken previously cannot be used to fulfill new prerequisite requirements.
- Courses taken previously cannot be counted towards your new degree.
- Courses taken previously will not be counted in your new GPA calculations.

A notation will be placed on the transcript showing the semester which the student began to take courses after the Academic Fresh Start.
