

SOUTH PLAINS COLLEGE APPLICATION FOR RESIDENCY RECLASSIFICATION

The Texas Higher Education Coordinating Board requires each student provide substantiating documentation to either affirm or contest their residency status for tuition purposes. Residency is based on information provided in your admissions application but can be reviewed for reclassification any time after you are enrolled. Students who are requesting Residency Reclassification should complete and submit this form in addition to proper documentation (listed below) along with a statement explaining their request for residency reclassification to the Admissions and Records Office.

RESIDENT CLASSIFICATIONS

For tuition purposes, South Plains College must document residency, certifying a student's residency classification on or before the official census date of the semester or term for which he/she is enrolling. Any changes made to a student's residency status before a semester's census date, may apply to that current semester's tuition rate. Changes made on or after a particular semester's census date will be applied to the following semester's tuition charges. Changes in a student's tuition status may not be applied to previous terms.

Students may be classified as one of the following, based on their own permanent residence:

TEXAS RESIDENT—An adult Texas resident (18 years of age and older) is defined as one who resided continuously within the State of Texas for **12 months** immediately **prior** to his/her original college registration, for purposes other than educational. The number of years in college cannot be used towards eligibility for establishing residency. A minor Texas resident is defined as one whose parent(s) or legal guardian has claimed the dependent for federal income tax purposes both at the time of enrollment, and for the tax year preceding enrollment. This classification is defined by the State Auditor's Office and must be adhered to by the institution.

NON-RESIDENT—A non-resident student is defined as one who does not qualify as a Texas resident (out-of-state students, international students, etc.). A non-resident student classification is presumed to be correct so long as the student is in the state primarily for the purpose of attending school. To be reclassified as a resident, after one or more years of residency, the student must show proof of intent to establish Texas as his/her own residency.

IN-DISTRICT—A Texas resident who physically resides within the geographic boundaries of South Plains College Taxing District (Hockley County or Whiteface ISD residents), excluding student housing or residence halls. To qualify for In-District tuition, a student must be (1) 18 years of age; (2) have been classified as a Texas resident; and have been a resident of the South Plains College District for a period of **six months** prior to first enrollment. A student may reclassify from Out-of-District to In-District status with the appropriate written documentation, after physically residing in Hockley County or Whiteface ISD for six consecutive months with the intent to make South Plains College District one's permanent home, and for purposes other than educational.

OUT-OF-DISTRICT—A Texas resident who does not physically reside within the geographic boundaries of the South Plains College Taxing District (e.g., Hockley County or the Whiteface ISD). A permanent resident must meet the same length of residency requirements as a citizen.

WRITTEN DOCUMENTATION

For reclassification purposes, the student must submit a written statement prior to registration, along with two of the following documents. The request, along with the documentation, will be reviewed before a reclassification is made.

- a. **Permanent Texas driver's license (at least one year old). The license expiration date of minus date of enrollment should not exceed three years - required;**
- b. **Texas high school transcript for full senior year immediately preceding the full semester enrolled;**
- c. **Texas college or university transcript, if other than South Plains College;**
- d. **Texas voter registration;**
- e. **Utility bill for the year preceding enrollment;**
- f. **Employer statement verifying status and dates of employment (must be on company letterhead and signed - required);**
- g. **Income tax form or, if current year federal tax form has not been filed, a signed notarized statement regarding the student's independence or regarding the individual claiming the student as a dependent;**
- h. **Property tax payments for the year preceding enrollment, if property is owned;**
- i. **Other third-party documentation which confirms residency status for the 12-month period preceding enrollment.**
